THANK YOU FOR COMING!
BUCKLE UP & DRIVE SAFELY!!

CEUs: CEUs earned will be 6.9 contact hours for CRCs and administrators. Other professionals may present certificates to their boards for CEUs. Certificates of attendance available to all attendees.

Nurses: Des Moines Area Community College, Iowa Board of Nursing Provider # 22, will provide 0.69 CEUs (6.9 contact hours) to all nurses attending the entire conference.

Social Workers: The Iowa Board of Social Work Examiners no longer requires prior approval for continuing education programs. It is up to each social worker to follow the criteria in the administrative rules pertaining to continuing education. You may receive a certificate of attendance containing all pertinent conference information for full attendance. CEUs provided only for complete attendance. No partial credit awarded. CEUs documentation will be mailed.

Driving Directions: Take I-35 either North or South to Ankeny. Take the Oralabor Road exit #90, and go West. If you are coming from the north, this is a right turn. If you are coming from the south, this is a left turn. After driving about two miles, you will run into South Ankeny Blvd. Turn right onto South Ankeny Blvd. At the first stoplight turn left on DMACC Blvd. (not on map) into the campus. Proceed to the first parking lot on the left in front of the Auditorium, Building #6.

DMACC, Highway 69 & Oralabor Rd. Bldg. #6

Target Audience: This conference is designed for nurses, social workers, vocational specialists, counselors, administrators, physical therapists, occupational therapists, speech-language pathologists, psychologists, case managers, other allied professionals, and all direct care staff. All interested healthcare providers are welcome to attend.

Objectives

At the completion of this conference, attendees should be able to:

- * Understand the issues and treatment of substance abuse for persons with brain injury.
- * Understand the key significant vocational factors when working with persons with brain injury.
- * Understand traditional Chinese medical diagnosis and treatment.
- * Understand the unique needs of individuals with cognitive disabilities in community-based environments and the individuals who provide support to them.
- * Identify ways to assist survivors and families in coping with issues related to brain injury.

David Seaton, Founder/CEO LiveOak Living Community; Founder, Eden LifeLong Living, San Marcos, Texas. David has worked with adults with cognitive disabilities for more than 25 years.

Michael L. Newman, M.S., LPC, LMHP, Diplomate American Board of Vocational Experts. Michael is a Certified Rehabilitation Counselor, Certified Job Placement Specialist and currently in private practice with Vocational Consulting Group, LLC.

Annette Pearson, MS, LADC, CBIS, Vinland National Center, Independence, Minnesota. Annette has a Master's degree in Guidance and Counseling and is a licensed alcohol and drug counselor, as well as chemical health assessor.

Jay Heaverlo, M.S., L.Ac., Midwest Acupuncture Clinic, Urbandale, Iowa. National Board Certified in Acupuncture and Licensed as an acupuncturist in the State of Iowa.

David Demarest, Ph.D. Clinical Neuropsychologist, On With Life, Ankeny and Glenwood, completed his post-doctorate fellowship at Rusk Rehabilitation Center in Columbia, Missouri and has worked in the field of brain injury rehabilitation for over 20 years.

Panelists include a parent of a person served, a spouse of a person served, and **Dave Anders**, SLP, CBIS, Therapy Manager/Speech Language Pathologist, On With Life at Ankeny.
